Liverpool Trip - Date TBC

Eisteddfod - 1st March

Humanities Week - Japan

Science Week - Space

### PE & Games:

Dance- 60s dance Games - Team games

6T Wednesday

6J Wednesday

## Spring Term Homework Tasks

### Task 1

Year 6 Eisteddfod recitation poem is called 'The Marrog'. We would like children to create a 3D model of the Marrog as described in the poem, which will then be entered into our school Eisteddfod craft competition.

A variety of materials may be used e.g. modrock, clay, papier mache etc. The size should be no bigger than 50cm x 50cm and self supporting.

Historically, this has been one of the 'stiffest competitions' for staff to judge as standards are always very high! Staff are already looking forward to judging this exciting competition!

Models to be completed and sent into school by Monday 26<sup>th</sup> February.

### Task 2

As you're aware, our topic this term is Mods and Rockers - The Swinging 60s! We would like the children to research and create an Information Booklet from one of the following themes:

- Fashion and Beauty
- Home life
- Toys
- TV
- Leisure Time
- Work Life
- Transport
- Important People

For a quality year 6 information booklet, all writing/text should be pupils' own words (no copying and pasting from the internet!!) and illustrations should be a mixture of printed images and pupils' own drawings.

With this particular task we are looking for the year 6 quality of work we have grown accustomed to. We look forward to sharing these informative booklets in our reading areas.
